# IN MEMORIUM

Remember

Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by  
the hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more, day by day,  
You tell me of our future that you  
planned:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not  
grieve;  
For it the darkness and corruption  
leave  
A vestige of the thoughts that once I  
had,  
Better by far you should forget and smile  
Than that you should remember and  
be sad.

—Christina G. Rossetti.

AUGUST 19-20, 1969

Time passes as always . . .  
 And a great deal of this precious time  
 Has already been spent.  
 Some will leave;  
 Others will come.  
 We've had our chance,  
 Now it's their's.

The road has been  
narrow for some,  
Rough for too many;  
Wide for others,  
And smooth for few.

Some have already  
traveled that road;  
Others see it in their  
future.  
But, do we truly  
realize what it  
means?  
This is the real  
beginning of our  
lives;  
Now we can be  
ourselves.  
Independence . . .  
Freedom . . . New  
Explorations . . .  
Time continues to  
pass . . .

Symbols of Success . . .

Seniors find time for a break.

Are you sure the boys will be here?

Talking about the big moment . . . Graduation . . .

What a day!

As we, the Seniors, look back on our years at Nelson, there are many memorable occasions—from our “first day” at NCHS to our Prom, class rings and finally the donning of the traditional robes for graduation. But our real challenge is yet to come when we must put our recently . . . gained knowledge and experience to use. We now realize that we have already lit the fire which must burn throughout our lives.

As the Junior Class looks toward becoming the "Seniors" of N.C.H.S., they realize that already they have acquired many memories. This year has been filled with many unforgettable events—college boards, the Prom, and receiving a class ring. # FRESHMEN

The Freshmen overcame their fears as to what "high school" would be like, and it was not long before they acquired a unique role in the life of N.C.H.S. They soon found themselves thrust into a world of confusion, joy and agony. These students gather knowledge as they begin to build that "fire of understanding" which will always prevail.

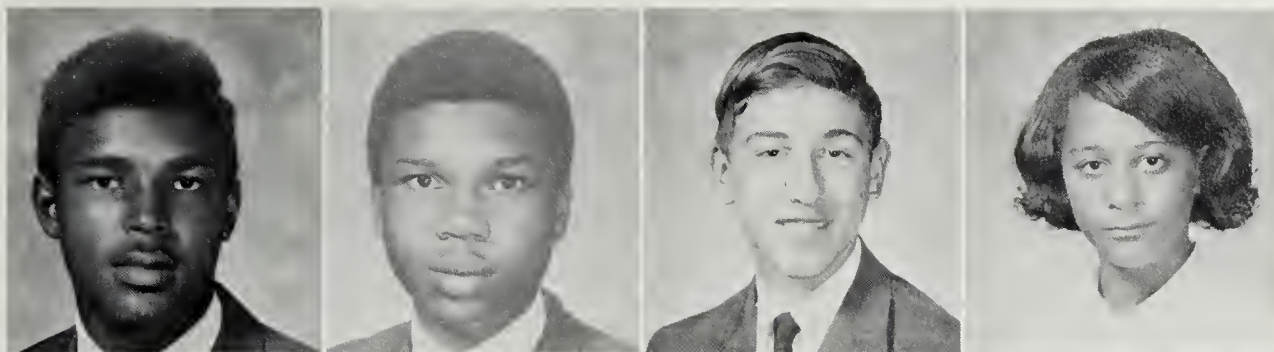

Such diligent studying!

Students arrive at school and prepare for another day of hard work.

Study hall in the cafeteria has always been a challenge.

Lab provides a break in the monotony of Chemistry lectures.

For many, the class periods get longer every day.

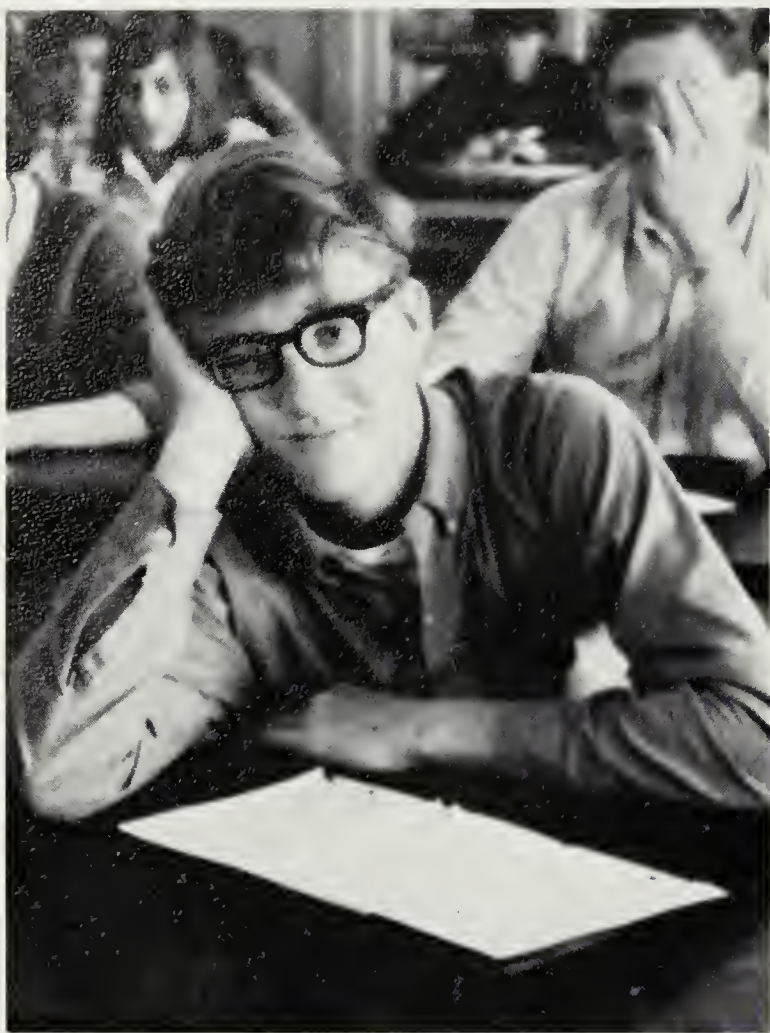

Yes, the class rooms are crowded, but the more, the merrier!

Some students do use their study hall constructively.

... and the day drags on ...

Hall breaks are enjoyed by one and all.

He may be outnumbered, but he sure doesn't look disappointed.

Hockey is a new sport enjoyed by the students.

Seniors plan for their last chance at college boards.

Mrs. Dillard gets in shape.

This is even more fun than finger painting.

Farewell!

Well, it worked out last night when I did it!!!

Will that final bell ever ring?

And so it ends . . .

It is never too cold for us to back the Governors.

Smiles were frequent during the Governor football season.

The cheerleaders look as though they are a bit off the ground.

The camera catches Patsy quite off guard.

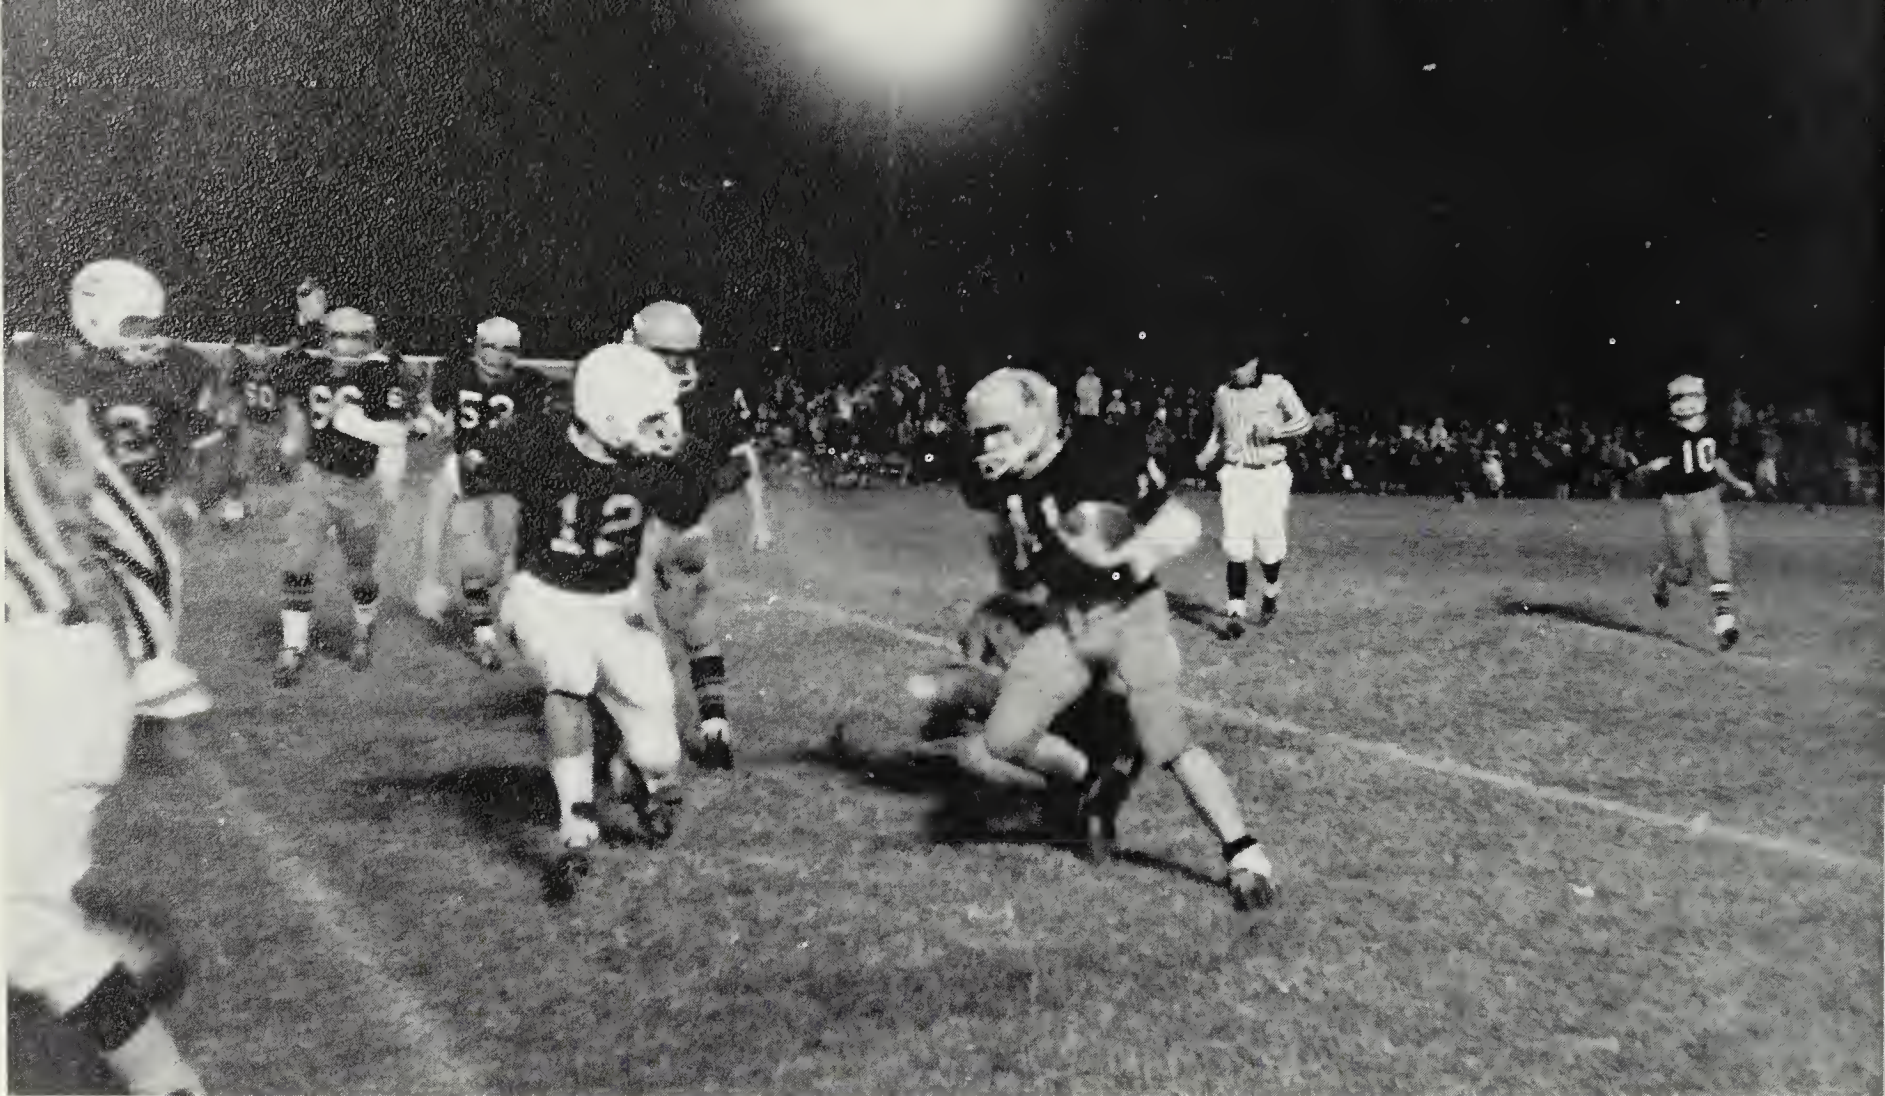

Cheerleaders arouse spirit at the homecoming bonfire.

Hum-m-m, mighty interesting . . .

I know the answers to both questions!  
The streamers are drooping, but the spirits are high!

A display of real school spirit.

We gotta all get together . . .
